DEXTER HISTORICAL SOCIETY

Officers: Carolyn {Corky} Marlowe, President; Sonja Thompson, Secretary; Deborah Harmann, Corresponding Secretary; Roy Parsons, Treasurer.

The goal of the Dexter Historical Society is to make the rich and interesting history of the Dexter area, including Limerick & Pillar Point, readily available to all residents of and visitors to our community. To this end, the Society presents a series of programs and events each year and maintains the Dexter Area Museum, 105 East Kirby Street. At this time, the Museum is open by appointment only & during Society Events. It is our goal to open the Museum to the public at regular times each week. To make this possible, we must first complete the sorting & detailed cataloging of the Society's holdings, a task which will require significant time and effort from a team of volunteers. We invite anyone interested in assisting with this task to join with us in our efforts to provide regular public access to the Museum.

The steeple which graces the Museum Building is in need of extensive repair. This will be an expensive undertaking. If you would like to make a donation to this project, please make checks payable to the Dexter Historical Society and mail to PO Box 231, Dexter, New York 13634. If you have questions concerning the project, please call Carolyn Marlowe at 315-782-4705.

The Society's Board of Trustees meets at the Dexter Area Museum at 7:00 PM on the 2nd Tuesday of each month. All are welcome to attend the meetings to learn more about the Society's work & programs. **Please see Calendar of Events, located at end of newsletter, for upcoming activities.**

If you are interested in becoming a member of the Society, annual membership fees, per individual, are as follows: Regular Membership: \$10.00; Sponsor Membership: \$20.00; Patron: \$30.00; Lifetime Membership: \$200.00. There is no membership fee for students. To join, send information and fee to the Dexter Historical Society, PO Box 231, Dexter, New York 13634.

This is a friendly reminder that the Village of Dexter Department of Public Works/Highway Department has no liability in replacing or repairing mailboxes or other fixtures that are placed in the village's right-of-way. During the course of roadway maintenance and snowplowing, such items may be unintentionally damaged. We regret that this may happen from time to time, but our road safety and maintenance is priority and of the utmost importance. Property owners have no right to interfere with a speedy and efficient removal of snow by placing the mailbox in such a position as to cause interference. There is no statutory law or legal authority which grants a property owner or resident along a public highway or street the right to place a mailbox in a highway right-of-way. Please see Village Law §6-602; Highway Law §319, which can be found online.

Workshops are offered, usually in the evening, at JCC. Workshops cover up-to-date topics of interest to both the Planning and Zoning Board members. In March of each year, the Tug Hill Commission, in conjunction with the Jefferson County Department of Planning and Jefferson Community College, offers a day long "Government Day." Classes are held throughout the day. 5 ½ credits are given to each participant attending for the full day. This workshop gives members the required hours for the year and 1.5 hours to carry over into the next year.
