New Business:

Discussion on interpretation of when a Special Use Permit is needed in regard to the Zoning Law, sections §325-11: Commercial and §325-12: Light Industrial.

Members are encouraging new businesses into the village and feel adamant that permits needed should be obtained and the Board should be consistent in their requirements for all businesses. The Code/Zoning Officer, Planning Board, and the Board of Trustees need to be in agreement and consistent when enforcing the policies and procedures of the zoning law.

Motion Deborah Harmann 2nd Todd Reinhardt to write a letter to James Millington asking for clarification of the Zoning Law as to when a Special Use Permit is needed.

Ayes: 6 Jean Simoneau, Michael Lane, Maureen Heise, Stephanie Ferguson, Todd Reinhardt, Deborah Harmann

Chairman Simoneau will write a letter to James Millington. Letter will be copied to Mayor. Chairman Simoneau will also contact James Millington to set up a meeting with him and the Mayor to discuss the special use permit process.

Deborah Harmann attended a workshop called "Sign Regulation; Issues and Tools for Local Government" held at JCC and sponsored by the Tug Hill Commission and the Jefferson County Planning Dept. Deborah reported it was an informative meeting. One of the points brought up in the meeting was repair of signs when in need. Our present Zoning Law does not address the issue of signs in disrepair. Size of signage was also discussed.

Chairman Simoneau will resume discussion of signs in a future meeting.

The next regular meeting is scheduled for Monday, October 27, 2014 to follow the 6:30 PM Zoning Board of Appeals meeting. The Planning Board meeting should begin at approximately 6:45 PM.

Motion: Maureen Heise 2nd Michael Lane for adjournment.

Meeting adjourned at 7:16 PM.

Respectfully submitted,
